Re: Letter of Deficiency No. WMD 02-08

Dear Mr. Worden:

The Department of Environmental Services, Waste Management Division (DES) is in receipt of your letter dated April 5, 2002. The letter explains an operation plan to clean up the solid waste found at the site by October 31, 2002 instead of the May 15, 2002 deadline. Based upon the letter's contents and the results of an April 3, 2002 site walk by DES personnel with you, your request for additional time is granted. October 31, 2002, will become the new completion deadline.

If you have any questions, please contact George Carrigan at (603) 271-3899.

Sincerely,
